[Verse]

C G
You might not think you're a supermodel,
Am F
But you look like one to me.
C G
I'd rather have your picture on my phone,
Am F
Than on the cover of a magazine.
C G
It's hard to think that a girl like you,
Am F
Could have any insecurities.
C G
It's funny how all the things you would change,
Am F
Are all things that are cute to me.

[Pre-Chorus]

Am F
And I know you don't believe me,
C G
And you think that I'm a fool,
G
But I don't care.

[Chorus]

C
Maybe,
G Am
You'll never see in you what I see,
F C G
The little things you do that make me go crazy,
Am
I'm not crazy.
F G C
You're perfectly perfect to me.

[Verse 2]

You brush it off every time I tell you
Your smile lights up the room.
And I'm guessing that you don't even notice,
The whole world notices you.
You think you're clumsy, I think you're cool.

You say you're typical, but I think you rule.
Sometimes I wonder if you'll ever believe
That I wrote this song for you.
[Chorus]

C
Maybe,
G Am
You'll never see in you what I see,
F C G
The little things you do that make me go crazy,
Am
I'm not crazy.
F G
You're perfectly perfect
C
Someday,
G Am F
You're gonna see you're beautiful this way,
C G
And that you're always gonna make me go crazy,
Am
I'm not crazy.
F G F
You're perfectly perfect to me.

[Bridge]

F
You don't have to try,
C
Change a single thing,
G F
'Cause just the way you are Is sweeter than anything.
F Am
Maybe I'm a fool but it's always been you,
G F
'Cause no one ever makes me smile the way you do.
